PPA 370 Ceiling frame for 60X60 / 90X60 cm tile ceilings (nett opening is l

PPA 370 kit can be used in combination with PPL 1515 and PPL 2525 lift systems. It is suitable for both 58x58 and 88x58cm size openings. The frame is open and a tile of the specific ceiling can be made into the frame to make it match the ceiling. The frame is connected to the lift system with spring supported adjustable rods. The spring takes care of a soft and perfect closing of the frame.
